

Disc Dog Distance Score Sheet

Handler _____ Dog _____ Date _____

MASCA Registration # _____ MASCA Tracking # _____

Judge _____ Signature _____

Distance Round 1

Throw 1	Throw 2	Throw 3	Longest Catch

Distance Round 2

Throw 1	Throw 2	Throw 3	Longest Catch

Measured in inches to the nearest whole inch. Only the longest successful catch is noted for the round.

Distance Legend

FF Foot Fault, thrower crosses the throwing line before the disc is released.

INT Interruption during the round from outside the competition field; i.e. Loose dog, Sudden loud noises such as fireworks, etc.

NC No Catch indicates an attempt for a catch without success.

C Catch made, longest Successful catch recorded.

All throws are noted. Longest throw each round measured. Placements determined by the longest throw of the day.

Tie Breaker: For ties in the top placing/awarding positions, the teams will flip a coin for placing in a throw off to determine the placeholder positions. Each team will throw one disc each, alternating per round until a clear winner is determined with the longest successful catch winning of the tie breaker.

ROUND 1 DISTANCE	ROUND 2 DISTANCE	LONGEST DISTANCE
